6	Fish
7	Umbrella

Syllabus of class KG II

STORY

S.NO	NO. & NAME OF THE TOPICS
P.A-I	
1	The cows and the lions
	Five cows lived in a little forest.They ate fresh grass in a
	large green meadow.They were kind friends.They decided
	to do everything together,so the lions couldn't attack
	them for food.One day,the five cows fought and each one
	started to eat grass in a different place. The lions decided
	to seize the opportunity and killed them one by one.
	Moral-Unity is strength.
TERM- I	
The Greedy Dog	
2	There was a dog that was very hungry.He searched
	for food everywhere and at last he found a bone.He
	picked the bone with his mouth and started going
	back to his home.There was a bridge on the way to
	his home.When he started crossing it he saw his
	reflection in the water.The dog thought that there

	was another dog with a bone in water. He wanted to
	get that other bone too. So he started barking at his own
	reflection. His bone fell in water as soon as he opened his
	mouth. The greedy dog lost his bone.
	Moral of the story- Don't be greedy.
3	Home-alone
	Once upon a time, there lived a Father Stork and a
	Mother Stork. Since they had no children, they brought up
	a baby turtle. They called him Home- Alone. Home-Alone
	was very naughty but the storks loved him very much. One day, the
	land became very hot and dry. There was no food anywhere. The storks
	had to fly away to get food and water. They could not think of leaving
	Home-Alone behind. So, they made a plan to take him
	along. The storks held a stick in their beaks. They asked Home-Alone
	to bite it, so he could hang on to it. They also told Home-A
	lone that he should not open his mouth. The storks flew
	fast and over the sea, Home-Alone began to get bored. He
	decided to sing. The moment he opened his mouth, he
	fell down into the sea. Home-Alone got a big shock. The
	storks searched for a long time. At last they found him
	in the sea. They hugged him and flew again in the sky.
4	The Fox and The Crow
	Once a crow was sitting on the branch of a tree. She had
	a piece of cheese in her beak. A fox saw the crow and
	wanted the cheese. He thought of a plan and said, "Madam
	crow what beautiful feathers you have! Surely, your voice
	is sweet, too. Please let me hear it." The silly crow felt happy
	and proud. She opened her mouth to sing, "Caw, Caw, Caw".
	The cheese fell down and the fox ate it up.
	The crow realised, "how foolish she was."
	Moral of the story-Be aware of flatters.
